

FIGURE 2

FIGURE 2 is a perspective view of the frame assembly 20, showing the front panel 11, the side panel 12, and the rear panel 21. The front panel 11 is a rectangular plate, the side panel 12 is a rectangular strip, and the rear panel 21 is a rectangular strip. The side panel 12 is shown in a hatched pattern, indicating it is a separate component or material. The rear panel 21 is also shown in a hatched pattern. The front panel 11 is a solid rectangular plate. The side panel 12 is a rectangular strip that runs along the edge of the front panel 11. The rear panel 21 is a rectangular strip that runs along the edge of the side panel 12. The group of small circles 22 is a cluster of approximately 15 circles arranged in a roughly rectangular pattern on the front panel 11. The entire assembly is labeled 20 with an arrow pointing to it.
